ADJOURN:

# **TOWN OF CHINCOTEAGUE EMERGENCY SERVICES MONTHLY REPORT**

**Submitted by Bryan Rush  
December 10, 2008**

## **PLANNING**

### **EMERGENCY OPERATIONS PLAN**

The first draft was completed and has been reviewed. Bryan Rush is making the changes and adding annexes as appropriate.

### **SOUTHERN BAPTIST DISASTER RELIEF TEAM**

I have spoken with Mr. Richard Taylor from Union Baptist Church about their disaster team. He will be out of town for meetings until March. I will include him in the agenda for our March 3<sup>rd</sup> meeting.

## **COMMUNICATIONS**

### **SATELLITE PHONES**

The Public Safety Committee voted last month to terminate service to two of the satellite phones owned by the Town due to lack of funding. However, upon the termination process I was able to secure better pricing that is actually less than what one line was initially quoted to be. The new service will be paid monthly at \$19.99 a phone plus tax without fees as long as calls remain inside the U.S., Canada, and the Caribbean.

## **TRAINING**

### **ICS 300**

LTJG Merriman has scheduled an ICS 300 class at the Chincoteague Coast Guard Base on January 21, 22, and 23. Pre-requisites are IS 700, IS 100, and IS 200 which can be completed on-line at fema.gov. He is holding seats for local government. A head count will be needed by Bryan Rush by January 12, 2009.
